

# Join the Sisterhood of Temple Beth Or

Women of Reform Judaism is part of a global network of thousands of women in hundreds of synagogues. We support the Reform Movement in many ways, including providing scholarships for rabbinical and cantorial students, providing financial support to National Federation of Temple Youth (NFTY), and women's advocacy. Temple Beth Or Sisterhood is the local affiliate of WRJ. With your \$40.00 dues, we fund the Caring Committee, high holiday collations, provide programs and activities for TBO, the religious school, the wider community, and more.

We are a vibrant group of intergenerational women with varied interests. We have fun together and forge new friendships. Won't you join us? Together we make a difference at Temple Beth Or, and in the world.
